Position: CW21 Certified Watchmaker, Full Time, Permanent On-Site

Employer: Swiss Time

Location: Portland, Maine

Swiss Time is a family owned watch and clock sales & service shop established in 1977 in a beautiful New England seaside city. We have an incredible reputation for repair work and receive watches from all over the country. We have a state of the art repair facility with the latest equipment.

Responsibilities: Complete service of modern and vintage mechanical timepieces including - estimates, repairs from start to finish, and final testing procedures. No direct work with customers necessary.

Qualifications: CW21 certification, bench experience at least 2-3 years, must be organized.
